

Licenses, ID Cards, and Birth Certificates

License and ID cards: Maine allows gender marker changes—as M, F, or non-binary “X”—upon completion of a Gender Designation Form, available here: bit.ly/2t9mqTX. This allows transgender women, men, and non-binary individuals to have their gender reflected on their driver’s licenses and identification cards for a small fee. *Note that part of the form needs to be completed by a medical or social services provider.*

Birth Certificates: Maine will issue an amended birth certificate with an updated gender marker with submission of:

- A physician’s notarized verification that surgery/treatment is “completed” and irreversible, *AND*
- An “Application to Correct a Vital Record in Maine” (Form VS-7), available at bit.ly/2HVSujA, *AND*

Name Change: If an individual is requesting a name change, they must also complete a “Notification of Legal Change of Name” (Form V-14). The process is described here bit.ly/2sZhAti.
